Nominator's relationship to nominee

Please tell us more about the nominee:

Please answer all of the following questions that apply.

1. How has this educator demonstrated leadership in promoting diversity, equity and inclusion in their classroom, school or school district? Describe in detail the activity or activities, including who has been impacted and how.

2. How has this educator demonstrated leadership in promoting diversity in their community? Describe in detail the activity or activities, including who has been impacted and how.

3. How has this educator assisted students in developing a positive identity and taking pride in their culture and heritage?

4. How has this educator fostered a culture of equity, diversity and respect among students, staff, parents and community members?

5. How does this educator make all students, parents and community members feel welcome and bring others together in order to celebrate our many diverse cultures?

6. How does this educator break down barriers that prevent students from respecting and including people with diverse lived experiences?

7. How does this educator support the efforts of students with disabilities in their education and participation in the school community?

If you are selected for an award, Harmony Movement will use the information included in the nomination package (as well as a photo - to be requested at a later date) on our website, in press releases, and in other promotional materials.
